

When You Think of Me

*When you think of me, never be burdened down or sad.
Just sit back and remember, all the good times we had.*

*And when you think of me, put on your biggest smile.
Remembering all the things we shared, that made life worth.*

*You can think about the laughs, the hugs, and the tears,
Remember all the simple things, that kept us close throughout the years.*

*Even think about the trials and how God brought us through.
Just always remember, how much, I truly loved you.*

*Think about how much we loved to talk, just you and I.
Then remember how fast, the time would go by.*

*You can think about all the things I loved to do,
Which made life meaningful and brought me joy too!*

*But most of all when you think of me, know that I'm alright,
Because my battle is finally over, and I no longer have to fight.*

*Just know when you think of me, I won't be far away,
Just look within your heart, you'll see, I am there to stay*
