Obituary

Jacqueline Marie Wall-Campbell, 57, died December 26th, 2020 at her home in Dayton, Ohio.

Jackie was born October 2nd, 1963 in Dayton to Minerva Wright and "Lucky" Lester Jr. She graduated from Patterson Co-Op High School.

Jackie was a beautiful, smart, caring and loyal wife, mom, grandmother and friend. Jackie loved her family and friends but most would agree she loved her dogs just as much. Jackie loved animals since she was a little girl and never went long in her life without a furry companion. She loved listening to music, and playing cards but the one thing she loved the most was spending time with the ones she loved and doing what she could to help them. The loss of Jackie is such a sudden and painful one that it is very easy to get lost in the grief, but that is not what she would have wanted. Jackie spent so much of her life battling her way out of darkness and in turn becoming a light for so many. Now she shines down on us from heaven.

Jackie is preceded in death by her parents Minerva Wright and "Lucky" Lester Jr.; her daughter Yaminah Lester; and her first husband Louis Wall. She is survived by her husband Deon Campbell; her son and his wife, Yancy and Amber Radford, her daughter Stephanie Radford, and her Son-in-Law Armand Parks; her siblings Nalisa Thomas and Quran Campbell; her grandchildren Kevin Parks, NaKayla Parks, Yancy Radford, Jr., Addison Radford, Savvy Radford and Ashtyn Radford; her extended family including her Aunts and Uncles Veronica Gates, Ramona Wilson, Sandra Dixon, Daniel Dixon; her cousins, Terri Gates and Michele Peeaks; Best Friend Tracy (White) Williams and her dogs Polly and Addie. She leaves behind to mourn her many Aunts, Uncles, Cousins, Nieces, Nephews, Friends and Loved Ones.

Do not let your hearts be troubled, You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.

John 14:1-3

"Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy." John 16:22

If Tomorrow Starts Without Me

If tomorrow starts without me and I'm not there to see
If the sun should rise and find your eyes all filled with tears for me

I wish so much you wouldn't cry the way you did today
While thinking of the many things we did not get to say

I know how much you love me as much as I love you
And each time that you think of me I know you'll miss me too

But when tomorrow starts without me please try to understand
That an angel came and called my name and took me by the hand

And said my place was ready in heaven far above
And that I'd have to leave behind all those I dearly love

But as I turned to walk away a tear fell from my eye
For all my life I'd always thought I didn't want to die

I had so much to live for so much left yet to do
It seemed almost impossible that I was leaving you

I thought of all the yesterdays the goodness and the bad
I thought of all that we had shared and all the fun we had

If I could relive yesterday just even for a while
I'd say goodby and kiss you and maybe see you smile

But then I fully realized that this could never be
For emptiness and memories would take the place of me

And when I thought of world things I might miss come tomorrow
I thought of you and when I did my heart was filled with sorrow

But When I walked through Heaven's Gates I felt so much at home
When God looked down and smiled at me from his golden throne

He said this Is Eternity and all I've promised you
Today your life on earth is past but here life starts anew

I promise no tomorrow, but today will always last
And since each day is the same way there's no longing for the past

You've been so faithful, so trusting and so true.
Though there were times you did some things, you knew you
shouldn't do.

But you have been forgiven, and now at last you're free
So won't you come and take my hand, and share my life with me

So when tomorrow starts without me don't think we're far apart
For every time you think of me I'm right here in your heart
