I Never Left You

I watch you every day, I am always very near. I know deep in your heart, you realize I am here. I watch you while you sleep, in your bed at home. I hear you when you speak to me, when you are on your own. You cannot understand the reason why I've gone. But I will never leave you I am there to keep you strong. Talk to me, I hear you, though you may not see. We share an unbroken bond that will always be. Death will not keep us apart, for our love is forever. Just remember me in your heart, and one day we will be together. Live your life and live it full, don't waste a single day. Remember I am always with you every step of the way.

Gone Too Soon

Tron had the best personality that I have ever seen. He would get upset but never mean. My dear son was really unique. He was 34 years old when he insisted on coming over and washing my feet. He should have lived long enough to be an antique. Let's take it upon our self to see what someone else would say, because I know I would be prejudice, anyway.

This is what my mom said.... on a card that he had up to this day.

If I never had a friend like you, I would have missed out on a whole lot of living.

Thanks for being you!

With Love

My mom thanked him and I thanked him too for being a very special person that I'm glad I knew.

Love Tron,

With love Mom

1st Corinthians 50 - 54

50Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. 51Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, 52In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. 53For this corruptible must put on incorruption, and this mortal must put on immortality. 54So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory.
