

He is free  
For now he is free he took his hand when he heard him  
Called him. He turned his back and left it all. If his  
Parting has left a void the fill it with happy memories  
His life have been full, good family, good friends, good  
times

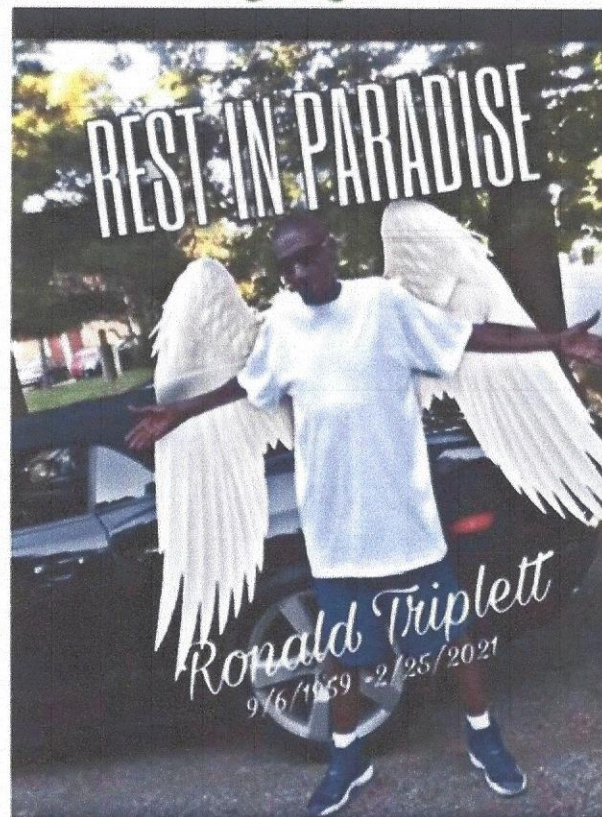

Pick your heads up he is a better place now no more  
suffering  
He is free

We Thank everyone for
