A King

A king....What is A king???

A king is who you are,
not who you were!!!

A king is A man who provide,

A man who never leaves his village alone,

A man who never feels the need to belong,

but A king is a man who is willing to make it happen by any means while dealing
with all the things that came with is choices.

You truly are what a man and a king is.

Taking

Sorry for your lost is what they tell me,

but your presence here is not a loss.

You were taking from me,
from us.

Getting that call broke me

but the pain I seen in our mother's eyes, anger me.

To know you is to love you.

The world knew you as Hell Rell,

but for me, for us,

you were so much more.

A father, A son, A brother, A friend, A teacher (you taught me everything), A

uncle and to never see that smile, hear yo lame ass jokes, just hearing

your voice period.

Who Ima vent to now,

Who gonna understand my crazy but?

Your passing is never a loss.

I gained another Angel.
