To Those I Love...

When I am gone, just release me, let me go
So I can move into my afterglow
You mustn't tie me down with your tears
Let's be happy that we had so many years
I gave you my love, you can only guess
How much you gave me in happiness.
I thank you for the love you each have shown
But now it's time I travelled on alone
So grieve for me a while, if grieve you must
Then let your grief be comforted with trust
It's only for a while that we must part
So bless the memories within our heart
And then, when you must come this way alone
I'll greet you with a smile and a "Welcome Home."
