

Dear Daddy
The pain that we are feeling
Never seems to go away
We wish we could visit Heaven
If only for one day.
I know that you would hold us
And whisper in our ear
Don't think of me as gone
Because I am always near
We know that you are at peace and free
To be happy in eternal life
And still watch over me.
Although the door between our worlds
Is closed and we're apart.
Until the time God opens it
You're always in our hearts

The Final Flight Don't grieve for me now I'm free. I'm following the path God laid for me. I took his hand when I heard him call. I turned my back and left it all. I could not stay another day, to laugh, to love, work or play. Tasks left undone may stay that way. I've found that peace at the close of Day!!
