WHEN TOMORROW STARTS WITHOUT ME

When tomorrow starts without me, and I'm not there to see, the sun will rise and find your eyes all filled with tears for me.

I know how much you love me, as much as I love you, and each time that you think of Me, I know you'll miss me too.

But when tomorrow starts without me, please try to understand, that an Angel came and called my name and patted me on the hand.

I thought about our lives together, I know you must be sad. I thought of all the love we shared and all the fun we had.

So when tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.
